

Graduate Career Guides

“ The professional background and clear readable format make the Inside Careers guides something we always recommend.
Richard Marshall, Information Manager, Imperial College London ”

About our Guides

For over 30 years, Inside Careers has developed unique partnerships with leading professional bodies in order to produce a range of high quality, structured career guides that are both impartial and independent.

Relevant professional bodies and industry experts help to provide and approve our articles, ensuring that each guide offers the most authoritative information available.

Our focused approach and professional partnerships enable us to produce independent career guides of the highest quality – the official graduate career guides.
